Explanatory Note

(This is not part of this notification but is intended to indicate its general purport)

There is at present no time limit prescribed for the issue or refusal of licence to the fishing vessel on receipt of applications therefor.

Similarly no period is fixed from the date of impounding to the date of appearing before adjudication or filing objection. To enable the adjudicating Officer to issue adjudication orders most expeditiously it is necessary to have a prescribed time limit.

The amendment is to achieve the above purpose.
