Explanatory Note

(This does not form part of the notification; but is intended to indicate its general purport)

Clause (d) of sub section 1 of section 4 of the Kerala Marine Fishing Regulation Act 1980 read with rule 4 of the Kerala Marine Fishing Regulation Rules, 1980 empowers Government to regulate, restrict or prohibit the use of prescribed fishing gear in any specified area as may be prescribed. Sub-section (2) of Section 4 of the said Act prescribe the grounds for invoking the powers under section 4.

There have been persistent demands from various sections of fishing community for imposing ban on bottom trawling on the ground that the bottom trawling during the monsoon season has been adversely affecting the conservation of fish wealth and their share of earnings from fishing. Consequently there have been clashes between the fishermen belonging to the traditional sector and mechanized sector leading to serious law and order problems in the sea.

There have been frequent occurrences of squally weather condition in the sea during monsoon, leading to accident resulting in human life and property.

Government have therefore, after considering all the aspects relating to the matter, particularly the adverse effect of bottom trawling, decided to ban bottom trawling in the territorial waters of the state during the monsoon period for 45 days starting on and from 15th of June 1999.

This notification is intended to achieve the above purpose.
